

Educational Technology Conference/Super Saturdays

OPPORTUNITIES FOR NETWORKING, TECHNOLOGY TRAINING, AND PROFESSIONAL DEVELOPMENT

TOOLS FOR TEACHING TODAY AND TOMORROW

CTAP Region 3, together with Dry Creek Joint Elementary School District, Hewlett-Packard, Apple, Granite Bay High School, and Capitol Cue, proudly present their first Educational Technology Conference. Experienced, accomplished educators will present on topics that impact the use of technology in our schools. The 2007 Educational Technology Conference will span two Saturdays and provide access to:

- Chico High School Academy of Communication Technology (General Session)
- More than 40 workshops and focus sessions
- Ticketed hands-on sessions on the educational uses of digital cameras, podcasting, multimedia development, and more.

Who Should Attend?

Educators, technology coordinators, administrators and those who are looking to see how technology can support student achievement.

Concurrent Sessions

Over 40 concurrent sessions will be offered all day Saturday, January 27, 2007. These sessions are one-hour lecture style presentations that address all areas of curriculum and appeal to a variety of teachers. Sessions are open to all attendees and do not require an additional fee.

Optional Hands-On Sessions

For an additional fee, you may attend one of our hands-on sessions held on January 27, 2007. Half-day workshops are 2 hours and 15 minutes. The full-day workshops include 4 and 1/2 hours of instructional time. Workshop labs hold 15 – 30 registrants and will be filled on a first paid, first serve basis.

Full Day Hands-On Sessions

Registration for Saturday, February 3, 2007 includes one full day hands-on session. The full-day hands-on session includes 6 and 1/2 hours of instructional time. Participants will be responsible for their lunch on February 3, 2007.
