Student photo and interview release guidelines: All students enrolled in Sacramento County Office of Education programs must have written permission on file prior to Sacramento County Office of Education release of photographs or comments. In order to preserve the students' rights, we may, in some instances, require interviewers and photographers to take special precautions to preserve the identity of the students. Such precautions may include, but are not limited to, obscuring the photo of the student's face and using no name or only first names when quoting students.
